Sir,

I have the honour to forward, herewith, a copy of the resolutions passed at the 2nd Tumkur District Co-operative Conference held at Tiptur on the 5th and 6th May 1929 received from the Secretary to the Conference and to state as follows:-

Resolution No.1.- Government have passed orders on the recommendations of the Samaldas Co-operative Committee and it is too early in the day to think of another Committee to examine the progress of the Movement.

Resolution No.2.- Starting of non-communal societies, in the case of the Depressed Classes is the avowed policy of this department and it has been steadily kept in view throughout.

Resolution No.3.- The appointment of Honorary Assistant Registrars is not feasible. The number of Honorary Organizers is being increased and this seems to be sufficient for the present.

Resolution No.4.- The Apex Bank has been made the chief Financing Agency for House-Building Societies. The transfer of this work to District Central Co-operative Banks which are not functioning properly is not desirable.

Resolution No.5.- A survey of Cottage Industry is desirable and it may be undertaken under the auspices of the Board of Industries & Commerce of the Mysore Economic Conference.

Resolution No.6.- This is not feasible. Government have already granted the concession of remitting at par monies from primary societies to the Apex Bank and vice versa through the Government Treasuries and this is sufficient for the present.

Resolution No.7.- All well-managed rural Co-operative Societies

Societies are encouraged to take up this work and arrangements are made for financing them for the purpose.
